The CBI sleuths had also seized 100-100 grams of two gold biscuits and the amount of Rs 7.88 lakh from his residence. In the bribery connection the police have also arrested middlemen Sachin Jain, principal of a nursing college Suma Rattnam Bhaskaran, director of a nursing college Anil Bhaskaran, Ravi Bhadoria of a private nursing college, Priti Tilakwar, Tanveer Khan and Om Giri Goswami. **Over 59% polling..**

The Sopore assembly segment of the parliamentary constituency witnessed a healthy turnout of 44 per cent after recording single-digit polling percentages in the past couple of decades.

"The Baramulla Lok Sabha constituency witnessed a record voter turnout since parliamentary polls were first held here in 1967," Pole told reporters at the end of polling. The previous highest voter turnout in the Baramulla Lok Sabha constituency was witnessed in 1984 at 58.90 per cent. Former J-K chief minister Omar Abdullah is among 22 candidates contesting on the seat.

Among other states, Bihar recorded 53.78 per cent turnout, Jharkhand 63.06 per cent, Odisha 62.23 per cent, Uttar Pradesh 57.79 per cent and Ladakh 68.47 per cent. The figures, the EC said, were "approximate trend" as data was still being collated. According to the figures made available by the Election Commission around 10 pm, the approximate polling percentage was 59.06. The last four phases have registered a total voter turnout of 66.95 per cent. With the end of polls in the fifth phase, voting has been completed in 25 states and Union Territories and 428 constituencies out of 543 in the ongoing Lok Sabha elections. Two more phases - on May 25 and June 1 - are remaining now. Counting of votes is on June 4. Scattered incidents of violence marred the polls in seven parliamentary constituencies of West Bengal where TMC and BJP workers clashed in various parts of Barrackpore, Bongaon, and Arambagh seats.

Till 4.30 pm, the state CEO's office received 1,913 complaints in connection including those related to EVM malfunctioning and polling agents being stopped from entering booths, an election official said. Clashes broke out between supporters of the TMC and BJP in the Khanakul area of the Arambagh constituency.

**AAP got over...**

The probe was launched in 2021 and Khaira was arrested by the ED that year. He is now with the Congress party. Official sources said the ED had sent a detailed communication to the Union Home Ministry in August last year, underlining the alleged violations by the AAP and categorising these instances as contravention of the Foreign Contribution Regulation Act (FCRA) and The Representation of the People Act.

It is understood that the ED recently shared some fresh inputs in this case with the Ministry of Home Affairs (MHA). Sources said the ED found the AAP received overseas donations of about Rs 7.08 crore till now and they allegedly "mis-declared and manipulated" the identities and nationalities of the foreign donors apart from some other details.

The agency has also informed the MHA about the verified names of the donors, their nationalities, passport numbers, amount donated, mode of donation and bank account number of the receiver, billing name, address, phone numbers, email, time and the date of donation and payment gateway used, the sources said.

Some fundraising events held by the AAP through its overseas wing volunteers in the USA and Canada between 2015 and 2016 are reported to have been made in alleged violation of the FCRA, the agency told the ministry. Alleging violations in a particular instance, the ED also informed the MHA that the names of some Canada-based people and their nationalities had been "concealed" in the party's financial records to "hide" the foreign donations being made to the party into its Indian bank account.

**4 ISIS terrorists...**

The ATS team also recovered three Pakistan-made pistols and 20 cartridges lying abandoned at a location in the city's Nana Chiloda area based on geo-coordinates and photographs found on the mobile phone seized from the accused, Sahay said. The pistols carried star marks, and cartridges were prima facie found to be made in the Federally Administered Tribal Area (FATA) of Pakistan, he said. The men informed investigators that they were earlier associated with the banned Sri Lankan radical militant outfit, National Thowtheeth Jamath (NTJ), and joined IS after getting in touch with Pakistani handler Abu Bakr Al Bagdadi. They are members of IS and radicalised by a leader from Sri Lanka who is living in Pakistan, Sahay told reporters.

They got in touch with Abu (the IS leader in Pakistan) in February this year and remained in contact with him through social media and were completely radicalised by the ideology, Sahay said. Their leader ordered them to carry out terrorist activities in India, to which they agreed, and even showed readiness to carry out suicide bombings, Sahay said. They had been paid Rs 4 lakh in Sri Lankan currency to carry out the activities, he said.

**Juvenile task for...**

Not just that, he was reportedly served pizza at the Pune police station and his blood sample was not taken even 11 hours after the deadly mishap, media reports said. The sample would have likely been a highly incriminating piece of evidence, as CCTV footage shows the minor drinking with his friends at a Pune pub prior to the accident. The youngster has been charged with rash and negligent driving, and causing harm by endangering the life or personal safety of others, which carries a maximum of two years in jail and a fine. The police commissioner has said they will seek permission from a higher court to try the minor as an adult, so that harsher sections of the IPC could be invoked.

However, the bail conditions determined by a Juvenile Justice Board seem to suggest a reformatory rather than a punitive system at work.

Out of the total consumption, only one per cent share is of green tea as people prefer the traditional chai." Meanwhile, Bharat Mathurawal, president of Indore Dugdh Vyapari Sangh, too affirmed city's love for tea and said that over 1 lakh litre of milk is being consumed every day in city by tea lovers who prefer to add a dash of milk in their tea.

**Cong leader's farmhouse in Kota razed**

KOTA

A joint squad of forest and police departments on Monday demolished three illegal constructions, including a farmhouse of a Congress leader, during an anti-encroachment drive in the Anantpura area here, officials said.

Around 300 personnel from Rajasthan Armed Constabulary (RAC) and police and forest departments reached the area with JCB machines early Monday morning and began razing the illegal constructions on forest land spanning over 4,300 square metres, they said.

The farmhouse belonging to Amin Pathan, Rajasthan Congress general secretary, was among the three encroachments demolished during the operation that lasted for over three hours till 9.15 am, Kota DFO Apoorv Krishan Srivastav said. The two other encroachments razed in the operation are owned by Pathan's wife and another person.

Pathan could not be reached for a comment on the matter and was reported to be out of the city by his staff.

Srivastav said the illegal constructions made on forest land in Anantpura were marked during a survey conducted earlier this year, following which the encroachers in the area were served notices in February and March for evacuation.

The DFO said no untoward incident or protest occurred during the drive as encroachers had evacuated the place beforehand. The household items on the premises were removed before the demolition began.

**Vote for Modi to end corruption, dynastic politics, says Shah**

RAJESH MOUDGIL

CHANDIGARH: Sharpening his attack on the INDIA bloc, Union home minister Amit Shah on Monday asked people at the election rallies in Haryana to vote for prime minister Narendra Modi-led NDA government to end the dynastic politics and corruption in the country.

Shah, who held a whirlwind tour to the state, held rallies at Hisar, Karnal and Jhajjar to campaign for the BJP candidates; the state which has 10 Lok Sabha seats, goes to polling on May 25.

Addressing a rally at Jhajjar, Shah who lashed out at the INDIA bloc constituents alleged that while Congress leader Sonia Gandhi wanted her son Rahul Gandhi to be the prime minister, the Congress leader in Haryana, Bhu-

pinder Singh Hooda wanted his son to be the chief minister.

Hailing the contribution of the farmers, defence personnel and the sports persons from the state, he held that it was the "dhakad" (strong) Union government that took several bold decisions for their welfare, whereas the Congress, on the other hand, committed scams in the name of farmers, defence personnel and sports persons.

Shah reiterated that Pakistan-occupied Kashmir (PoK) belonged to India, belongs to India and that "we would take it back". Coming down heavily on Congress on the issue of Kashmir, he held that the Congress leaders did not revoke Article 370 because of their appeasement politics, whereas the Modi government scrapped it in 2019.

JAIPUR: The POCSO Court-2 of Bhiwara has given death sentence to two accused who gang-raped a 14-year-old girl and burnt her alive in Kotri of Shahpura district in Rajasthan. The judge considered this case as the rarest of the rare.
