Notes:
1 The above consolidated Ind AS financial results of the Group have been reviewed by the Audit Committee and approved by the Board of Directors of the Holding Company at their respective meetings held on 3rd August, 2021.
2 The Group has determined 'Snacks Food' as a reportable segment as evaluated by the chief operating decision maker for allocation of resources and assessing the performance. There are no other reportable segment as per Ind AS 108 'Operating Segment'. Accordingly, no separate segment information has been provided.

4 The Group's operations and revenue were impacted on account of disruption in economic activity due to COVID-19. As the products manufactured by the Group are covered under essential services, the impact has been less significant. Management is closely monitoring the developments and possible effects that may result from the current pandemic on its financial condition, liquidity and operations and is actively working to minimize the impact of this unprecedented situation. As the situation is continuously evolving, the eventual impact may be different from the estimates made as of the date of approval of these consolidated Ind AS financial results.
