Notes:
1. The above consolidated Ind AS financial results of the Group have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 5 November 2020.
2. The Group has determined "Snacks Food" as a reportable segment as evaluated by the chief operating decision maker for allocation of resources and assessing the performance. There are no other reportable segments as per Ind AS 108 "Operating Segment". Accordingly, no separate segment information has been provided. Management has reviewed the estimated useful life of plant and equipment. The Group has reassessed the useful life of property, plant and equipment and has revised the management's estimate. The effect of the said change is recognised prospectively w.e.f. 1 July 2020 as per the requirements of Ind AS 8 "Accounting Policy, Changes in Accounting Estimates and Errors". Consequently to this change, depreciation and accumulated depreciation is higher by INR 326.49 lakhs for the quarter and half year ended 30 September 2020. Further, the balance of other equity is higher by INR 248.12 and basic and diluted earnings per share (not annualised) is higher by INR 1.06 as on the date of the quarter and half year ended 30 September 2020.
3. During the quarter ended 30 September 2020, the Holding Company has distributed dividend of INR 1 per share amounting to INR 234.53 lakhs as approved by the shareholders in the general meeting on 18 September 2020 for the financial year 2019-20.
4. On account of the spread of COVID-19 virus, the Government of India had imposed a complete nationwide lockdown on March 24, 2020, leading to the shut down of manufacturing facilities and is currently in the process of scaling up its operations. As the products manufactured by the Group are covered under essential operations and is having working to minimize the impact of this unprecedented situation. As the situation is continuously evolving, the eventual impact on the Group's manufacturing facilities (including contract manufacturing facilities) and operations. During the quarter, the Group has incurred operations at all its services, the impact has been less significant. Management believes that the pandemic is unlikely to impact the recoverability of the carrying value of its assets. Management is closely monitoring the developments and possible effects that may result from the current pandemic on its financial condition, liquidity and different from the estimates made as of the date of approval of these consolidated Ind AS financial results.
